Checklist Lab WEPT Ethnic Studies 9 Units UD GE (in at least 2 different areas)

Indicates lab course * Meets Ethnic Studies requirement. +Note: A first-year language course may only be selected if the student has met the high school subject requirement (2 years) in a different language or if the student has completed one year of a different foreign language at the college level.

Examinations

Various examination options (AP, CLEP, course challenge examinations, Credit by Examination) are available to meet some of the GE requirements. Contact the appropriate department or the Testing Office, Salazar Hall 1070, (707) 664-2947.

Foreign Language Course Options

A foreign language course at the intermediate level, 201 or above. A first year course may be selected if the student has met the high school subject requirement (2 years) in a different language. A first year course may also be selected if the student has completed one year of a different foreign language at the college level. Selections include courses in French, German, Italian and Spanish in the Modern Languages and Literatures Department; CALS 225, Spanish for Bilinguals, in the Chicano and Latino Studies Department. Foreign language courses do not meet the Ethnic Studies requirement.

Some upper division language courses are offered at various times which meet upper division GE requirements. Consult the Modern Languages and Literatures Department or the General Education courses listed in the Schedule under C-4.

How to Obtain an Academic Advisor

If you have a major, contact your major department office for your assigned advisor.

If you are an undeclared major, contact Advising, Career and EOP Services, Salazar Hall 1070, (707) 664-2427.

Consult your academic advisor regularly.

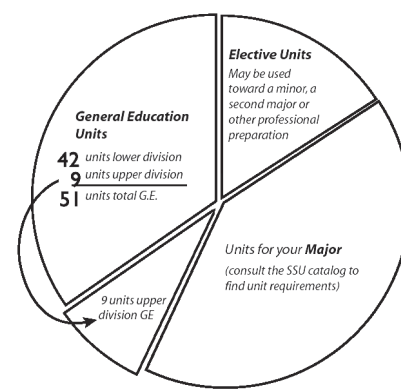

Graduation

Graduation is not automatic. We recommend filing your application one year in advance of graduation. This allows you to obtain an official evaluation from the Admissions and Records Office (Salazar Hall 2030) and to work with your academic advisor to resolve any problems before your final semester. The deadline to apply for graduation for each semester is published in the SSU online Catalog/Class Schedule.

If you are denied graduation, you must reapply unless all deficiencies are made up during the same semester.

Total semester units in General education are 51 units including:

- ✓ 9 upper division units from at least 2 different areas of GE, taken no sooner than the term in which upper division standing (60 units) is attained
- ✓ 9 units in residence at Sonoma State University
- ✓ an approved science laboratory
- ✓ one course in ethnic studies

Note:

The minimum number of units needed to graduate are 120-132 units

- 12 units x 8 semesters = 96 units
- 14 units x 8 semesters = 112 units
- 15 units x 8 semesters = 120 units
- 16 units x 8 semesters = 128 units
