VICE PRESIDENT
Erik Greeny

The role of University Development is to facilitate and coordinate all private philanthropic support for the University.

Private philanthropy is essential for sustaining quality education for Sonoma State University students — now and in the future. Each generation benefits from the generosity of our alumni, parents, and friends. Donors can give outright or make a planned gift for current or future University priorities. Many donors choose to give unrestricted funds but gifts can also be designated to a specific endowment, campaign, school, department, or program. www.sonoma.edu/development/
