ACADEMIC ADVISING INFORMATION

- ☆ If you have a major, contact your major department office for referral to your advisor in your major.
- ☆ If you are an undeclared major, contact Advising Services, Salazar 1070, (707) 664-2730.
- ☆ Consult your academic advisor regularly.
- ☆ For GE and Registration Assistance, see a Student Peer Advisor, Salazar 1070.

GRADUATION

- ☆ Graduation is not automatic. We recommend filing your application one year in advance of graduation. This allows earlier communication with you so there is ample time to meet with an advisor and resolve any concerns before your final semester. The deadline to apply for graduation each semester is posted on the Graduation website and Academic Calendar.
- ☆ If you are denied graduation, you must file a "Change of Graduation Information" Form to move your graduation date. This is not done automatically.
- ☆ For additional information go to <http://www.sonoma.edu/registration/graduation/>

Various examination options (AP, CLEP, course challenge examinations, Credit by Examination) are available to meet some of the GE requirements. Contact the appropriate department or the Testing Office, Salazar 1060, (707) 664-2947. Go to <http://www.sonoma.edu/testing/> for more information on testing.

GRADUATION WRITING ASSESSMENT REQUIREMENT (GWAR)

The Graduation Writing Assessment Requirement (GWAR) is intended to ensure that all students graduating from a California State University have acquired the writing skills necessary for competent written communication. At Sonoma State University, there are two ways students may complete the GWAR: either by passing the Written English Proficiency Test (WEPT) or by achieving a grade of "C" or better in a course designated as WIC (Writing Intensive Curriculum). Note: The Writing Intensive Curriculum course list is subject to change term-by-term. Check periodically for updates.

For more information about the WEPT or WIC go to:
