- SSU/IT brings together teams of expertise across a range of technologies to provide the necessary guidance and leadership to fully implement successful efforts in instructional and administrative technology. SSU/IT specifies campus-wide standards and provides consulting in order to ensure all technology systems are cost-effective and architecturally sound.
- SSU/IT provides e-mail, web pages, multimedia equipment, video production, instructional technology software, videoconferencing facilities, high-tech classrooms and media services preview rooms. A fully staffed help desk provides consulting in the use of information technology. Consultants are available by phone, 664-HELP; e-mail, helpdesk@sonoma.edu; or in person, Schulz 1063.
- Workstation support is provided to faculty and staff for their office-based computers. SSU/IT provides assistance to faculty in developing on-line multimedia content.
- Computer labs with a wide range of software are available to students, faculty, and staff. Lab consultants may be reached at 664-LABS. The 24-Hour Lab is open continuously during the semester. Other labs may be scheduled for classes. Schedules are posted outside each lab and on the web at www.sonoma.edu/it/labs.
- SSU/IT operates a high-speed campus and residential network with more than 20,000 nodes that provide access to resources from the campus and across the Internet. SSU/IT also operates a modern phone system with more than 4,000 lines for the campus and residential community.
- SSU/IT is responsible for the technical operation of administrative information systems for Human Resources, Finance, and Student Information systems.
- Sonoma State University is a member institution of CENIC. As such, users of SSU's network facilities must follow the Acceptable Use Policy (www.sonoma.edu/it/get_connected/computing/aup.shtml).
