The University offers a wide selection of courses on religious topics. The departments of Anthropology, Art, History, Chicano and Latin American Studies, Hutchins School of Liberal Studies, Music, Native American Studies, Philosophy, Psychology, and Sociology offer courses either entirely devoted to religious subject matter or with significant religious content. Students interested in a major or minor in religious studies should consult the interdisciplinary studies coordinator for the procedures involved in developing a suitable program of study.

Social Science Course (SSCI)

300 Introduction to Portfolio Development and Special Project (1)

Introduces the student to both the Liberal Studies Program and to the subject matter preparation program through a broad based, interdisciplinary approach that facilitates the student's need to understand the underlying relationship among all the courses in the program of study.

400 Portfolio Evaluation (3)

Contents of each portfolio will reflect the courses students have taken to complete the program, and will include organized examples of their achievement in each of the core courses in history, political science, economics, and geography, and in the courses they have chosen in the breadth/perspectives part of the program.
